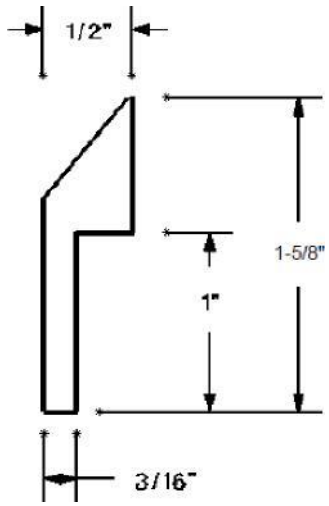
MOVEMENT SYSTEMS

NEW



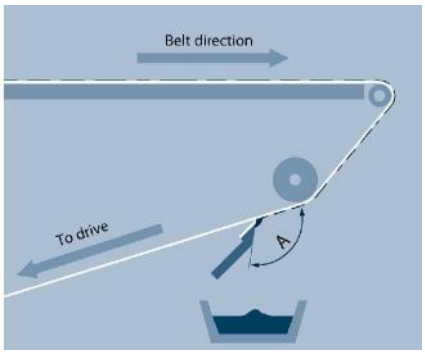
Belt scraper MD blue

Applications

- Food industry
- Remove product residues
- Cleaning of the belt surface

Properties/Advantages

- Superior belt wiping action scrapes belts cleaner, preventing material from re-entering the system
- Substantially adds to belt lacing life by minimizing stress on the joint and reducing drag
- Helps prevent damage to belting surfaces
- Compliant to FDA and EU regulations
- Colour: Blue (sapphire)



Scraper should lightly touch the belt on the return side just after product has been discharged. The angle “A” normally will be between 100 and 120 degrees.

Basic technical data

Article no.	882228
